stampt powered by mobïvity

# Increase Sales and Mobilize Frequency

Stampt® is a mobile app that transforms paper loyalty programs into a digital engagement experience.

Mobilized Intelligence
Track customer preferences for targeted and personalized marketing.

Operationally Efficient
Remove loyalty transactions from your line-queue and handle transactions even faster.

Mobile Security
Track rewards with real data and prevent fraud with controlled redemptions.

Ease of Use
Drive loyalty anywhere, at anytime and create a more data-driven marketing program for your most loyal customers.
